13 resources: *Provided, That the reopening and resumption of operations of*
14 *the closed bank shall be subject to the prior approval of the Monetary*

16 [The Corporation may provide any corporation acquiring control of,
17 merging or consolidating with or acquiring the assets of an insured bank in
18 danger of closing in order to prevent such closing or of a closed insured
19 bank in order to restore to normal operations, with such financial
20 assistance as it could provide an insured bank under this subsection:
21 *Provided, That, within sixty (60) days from date of assistance the*
22 *Corporation shall submit a report thereof to the Monetary Board.]*

23 The Corporation, prior to the exercise of the powers under this Section,
24 shall determine that actual payoff and liquidation thereof will be more
25 expensive than the exercise of this power: *Provided, That when the*

1 Monetary Board has determined that there are systemic consequences of
2 a probable failure or closure of an insured bank, the Corporation may
3 grant financial assistance to such insured bank in such amount as may be
4 necessary to prevent its failure or closure and/or restore the insured bank
5 to viable operations, under such terms and conditions as may be deemed
6 necessary by the Board of Directors, subject to concurrence by the
7 Monetary Board and without additional cost to the Deposit Insurance
8 Fund.

9 A systemic risk refers to the possibility that failure of one bank to settle net
10 transactions with other banks will trigger a chain reaction, depriving other
11 banks of funds leading to a general shutdown of normal clearing and
12 settlement activity. Systemic risk also means the likelihood of a sudden,
13 unexpected collapse of confidence in a significant portion of the banking
14 or financial system with potentially large real economic effects. Finally, the
15 Corporation may not use its authority under this subsection to purchase
16 the voting or common stock of an insured bank but it can enter into and
17 enforce agreements that it determines to be necessary to protect its
18 financial interests: *Provided*, That the financial assistance may take the
19 form of equity or quasi-equity of the insured bank as may be deemed
20 necessary by the Board of Directors with concurrence by the Monetary
21 Board: *Provided, further*, That the Corporation shall dispose of such equity
22 as soon as practicable."
