SENATE BILL No. 12

Introduced by Senator Heherson T. Alvarez

EXPLANATORY NOTE

The death of Former Senator Benigno "Ninoy" Aquino at the tarmac of the Manila International Airport on August 21, 1983 had enshrined him as the greatest Filipino leader in our struggle for the restoration of Democracy in this country. His martyrdom evokes rare parallelism in world contemporary history. In other countries, a grateful people had seen it fit to rename important International airports after those who have given unselfish services for their country.

To rename the Manila International Airport into The Ninoy Aquino International Airport is more than an historical exercise. It is a nation's way of building a memorial for a martyr whose death on August 21, 1983 at the airport's tarmac loudly explained to the Filipino people and to the world the meaning of freedom and democracy.

In view of the above, the undersigned sponsor seeks the passage of this bill in the Congress of the Philippines.

Heherson T. Alvarez
