3 result only in the minimum interference on the wavelengths or frequencies of existing
4 stations or other stations which may be established by law, without in any way
5 diminishing its own right to use its assigned wavelengths or frequencies and the quality
6 of transmission or reception thereon as should maximize rendition of the grantee's
7 services or the availability thereof.

8
9 **SEC. 3. Authority of the National Telecommunications Commission.** – The
10 grantee shall secure from the National Telecommunications Commission (NTC) a

7 is part of the national patrimony and the use thereof is a privilege conferred upon the
8 grantee by the State and may be withdrawn any time after due process.

17 of the grantee, within sixty (60) days after the completion of the said transaction.
18 Failure to report to Congress such change of ownership shall render the franchise *ipso*
