REPUBLIC OF THE PHILIPPINES**
First Regular Session

SENATE

Senate Bill No. 598

RECEIVED BY: 

Introduced by Senator Juan Miguel F. Zubiri

**AN ACT
GRANTING RETIREMENT BENEFITS TO ALL ELECTIVE OR APPOINTIVE
BARANGAY OFFICIALS WHO HAVE RENDERED A CONSECUTIVE PERIOD OF
NINE (9) YEARS OR THREE TERMS OF PUBLIC SERVICE IN THE BARANGAY,
AND APPROPRIATING FUNDS THEREFOR**

EXPLANATORY NOTE

Barangay officials are a fundamental pillar in the realm of public administration as they tend to the needs of their constituents with accessibility and immediacy that officials in larger government units cannot address. Barangays serve as the primary planning and implementing unit of government programs and projects. However, these public officials do not receive adequate compensation for the public service that they provide. Receiving meager stipend, these barangay officials are left with little to no ability for any potential of savings. This is especially concerning given how many of our barangay officials maintain their position as their lone profession to better focus on their role as public servants.

As a result of the lack of financial stability provided by their position, many barangay officials often struggle to get by after taking their leave from public service. They have no social security and are forced to seek alternative avenues of income for their day-to-day expenses instead of enjoying the benefits of their years in public service.

In answer to this concern, this bill seeks to grant retirement benefits to barangay officials who have rendered nine (9) years of consecutive service or three terms of public service. Once these officials are socially secure and stable, they will be free to devote themselves more fully to the demands of their position, and the State will be able to encourage a more effective and vibrant brand of leadership in barangays throughout the nation.

In view of the foregoing, the approval of this bill is urgently sought.
