**AN ACT**  
**GRANTING ONE-TIME CONDONATION OF INTEREST ARREARAGES AND PENALTIES IN FAVOR OF QUALIFIED LOCAL WATER DISTRICTS (LWDs) PERTAINING TO THEIR LOANS WITH THE LOCAL WATER UTILITIES ADMINISTRATION (LWUA)**

EXPLANATORY NOTE

Presidential Decree No. 198 or the Provincial Water Utilities Act of 1973 mandated the creation, operation, maintenance and expansion of reliable and economically viable and sound water supply and wastewater disposal system in the country as an objective of national policy of high priority. In this regard, PD 198 created the Local Water Utilities Administration (LWUA), a government-owned and controlled corporation (GOCC), with a specialized lending function, mandated to promote and oversee the development of water supply systems in provincial cities and municipalities outside of Metropolitan Manila.

In the past few years, a number of LWDs were not able to make the necessary loan amortizations to the LWUA on time resulting in substantial loan arrearages, interests and penalties. If these arrearages are to be collected and paid, LWDs would be faced with the difficult choice of recovering their substantial loss either by increasing the water rate charged to their clients or by contracting new loans from LWUA. Either way, the quality of services offered by LWDs will be seriously affected.

This bill seeks to grant a one-time condonation of arrearages, interests and penalties assessed against local water districts (LWDs) pertaining to their late

payment or non-payment of loan amortizations to the Local Water Utilities Administration (LWUA). This one-time condonation of loan arrearages, interests and penalties is necessary to give LWDs a chance to use any savings they have to improve and/or expand their services, or to prevent any increase in water rate charges.

In view of the foregoing, approval of this bill is earnestly sought.
