S. No. 857

Introduced by SENATOR RAMON BONG REVILLA, JR.

AN ACT
REORGANIZING THE OFFICES OF THE COMMISSION ON ELECTIONS AND
RECLASSIFYING THE PLANTILLA POSITIONS IN THE AGENCY

EXPLANATORY NOTE

Article IX (C) of the 1987 Constitution provides for the creation of the Commission on Elections (COMELEC) and mandates it to enforce and administer all laws and regulations concerning the conduct of regular and special elections.

The officers and employees of this Constitutional body give life to its mandate and fulfil its sacred and gargantuan responsibility to the country. They give utmost dedication, commitment and sacrifice – some even losing their lives – to their job, fully aware of how important their roles are to the democracy that our country is enjoying now. However, they have also been long burdened by a meager salary which lags far behind their counterparts in other government agencies.

This proposed measure seeks to reorganize the offices in COMELEC, and to reclassify and upgrade the plantilla positions in the main and field offices of the agency. The reorganization will allow COMELEC to perform its function more effectively and responsively. In similar light, the reclassification will entitle the officials and employees to enjoy the salary and related benefits that they long deserve. Apart from being an effective deterrent against graft and corruption, it will also renew the vitality and morale of the personnel.

Based on the 2020 Staffing Summary, there are 5,694 permanent positions in COMELEC, 4,880 of which are filled. The sole and exclusive negotiating agent of the COMELEC rank and file employees nationwide, the COMELEC Employees' Union (COMELEC-EU), is supportive of this measure.

In light of the aforementioned, the immediate passage of this bill is highly recommended.
