S. No. 879

Introduced by Senator Grace Poe

AN ACT
PROVIDING BURIAL ASSISTANCE FOR UNCLAIMED REMAINS AND FOR
INDIGENT DECEDENTS, APPROPRIATING FUNDS THEREFOR, AND FOR
OTHER PURPOSES

EXPLANATORY NOTE

The rise of extrajudicial and vigilante killings in the war on drugs has resulted in a concurrent rise in unclaimed bodies at funeral homes. Reports have surfaced that victims of extrajudicial killings are given a pauper's burial only after "months" of stay at a funeral home. In these cases, unclaimed bodies remain floating in rectangular pools of formaldehyde for months. Many of the dead remained unidentified, unclaimed and unmourned. In other cases, it has been reported that mass burials of victims of extrajudicial killings are being conducted, with no priest to bless the dead, and with no one else present except for cemetery personnel.¹

At present, the Department of Social Welfare and Development (DSWD), through its Protective Services Program, offers various types of assistance to those in need which include the Assistance to Individuals in Crisis Situations (AICS). As the lead agency in social protection, the DSWD places emphasis in ensuring that indigent and vulnerable individuals are provided with the necessary assistance to help them cope during crisis situations. Under AICS, the DSWD provides medical, educational, burial and transportation assistance to persons/families in crisis situations, specifically those belonging to the informal sector and other poor, marginalized, vulnerable, and disadvantaged individuals.²

This bill aims to expand the existing AICS by mandating burial assistance to indigent decedents whose bodies remain unclaimed or unidentified, regardless of the cause of death, whether crime-related or not. Under the bill, if the Crisis Intervention Unit (CIU) of the DSWD determines that the body of the decedent remain unclaimed, or, if claimed by the decedent's next of kin, the decedent belongs

to an indigent family, the DSWD shall provide burial assistance either by directly contracting with burial service providers or by granting financial assistance to the next of kin. The bill fixes burial assistance to an initial sum of ten thousand pesos (P10, 000.00), adjustable to present value every six years. Burial assistance shall defray the costs of the casket or urn, embalming, cremation, and other related burial services such as viewing or wake cost and transportation from the hospital morgue to the intended burial site.

The bill also mandates the DSWD to expedite the processing of burial assistance by refusing to treat the lack of documentation as a ground to deny or withhold assistance. It would be absurd to require documentation when the body of the victim remains unclaimed or unidentified for many months despite all reasonable efforts in locating the victim's next of kin and with no one appearing on behalf of the decedent.

Immediate approval of this measure is eagerly sought.

GRACE POE

Introduced by Senator Grace Poe

AN ACT
PROVIDING BURIAL ASSISTANCE FOR UNCLAIMED REMAINS AND FOR
INDIGENT DECEDENTS, APPROPRIATING FUNDS THEREFOR, AND FOR
OTHER PURPOSES

Be it enacted by the Senate and the House of Representatives of the Philippines in Congress assembled:

1 Section 1. *Short Title.* – This Act shall be known as the "*Burial Assistance Act*
2 *of 2022.*"

3 Sec 2. *Declaration of Policy.* – It shall be the policy of the State to provide for
4 burial assistance to decedents whose bodies remain unclaimed, regardless of the
5 causes of death, as well as to decedents whose families are indigent and cannot
6 afford a proper burial for the deceased.

7 Sec 3. *Burial Assistance for Unclaimed Remains and Indigent Citizens.* – If
8 the Department of Social Welfare and Development (DSWD), through its Crisis
9 Intervention Unit (CIU), determines that the body of the decedent remains
10 unclaimed or if the CIU is unable to locate the decedent's next of kin after
11 reasonable diligence, given burial time constraints, the DSWD shall directly contract
12 with service providers to arrange for the decedent's proper burial and defray the
13 expenses for the funeral of the deceased in the sum of no more than ten thousand
14 pesos (P10,000.00): *Provided*, that every six (6) years thereafter, this amount shall
15 be adjusted to their present value using the consumer price index as published by
16 the Philippine Statistics Authority.

17 In cases where the next of kin of the decedent appear but are indigent and
18 cannot afford a proper burial, the DSWD shall provide burial assistance as defined in

1 this Section and shall respect, to the extent practicable, the wishes and preferences
2 of the family of the decedent regarding the disposition of the remains of the
3 deceased person, the location and conditions of interment, and arrangements for
4 funeral goods and services to be provided, unless other directions have been given
5 by the decedent pursuant to a will or last testament.

6 Burial assistance as defined under this Act shall include sums and services
7 that cover the costs of the casket or urn, embalming, cremation, and other related
8 services such as viewing or wake cost, pick-up from the hospital morgue, and
9 transport of the body to the intended burial site, but in no case shall exceed ten
10 thousand pesos (P10, 000) or its adjusted value after every six years.

11 The current Assistance to Individuals in Crisis Situations (AICS) under the
12 Protective Services Program of the DSWD shall be expanded to include burial
13 assistance as set forth in this Act.

14 *Sec 4. Expedited Processing. –*

15 (a) Upon receipt of a request for burial assistance for an unclaimed decedent
16 made by a funeral home, law enforcement official, medial or health
17 institution, or any other reputable institution or person whose business is
18 to attend to the remains of deceased persons, or upon notice or
19 knowledge acquired by a CIU official or employee in his or her official
20 capacity over the specific whereabouts of unclaimed remains, the DSWD
21 shall immediately act upon such request, notice, or knowledge and grant
22 or deny burial assistance as soon as practicable, and in any case within a
23 non-extendible period of fifteen (15) working days from such request,
24 notice, or knowledge. The DSWD shall establish a system of inter-agency
25 coordination and monitoring of unclaimed bodies by entering into
26 memoranda of agreement with other agencies, local government units,
27 and accredited health service providers.

28 (b) Where the next of kin of the decedent request for burial assistance, the
29 DSWD shall grant or deny burial assistance as soon as practicable and in
30 any case within a period of ten (10) working days from the submission of
31 all necessary documents in support of the request.

1 Sec 5. *Incomplete Documentation.* – The lack or incompleteness of any of the
2 following documentation shall not constitute grounds for inaction, denial, or

- 5 b) civil status documents such as death certificate, birth certificate, *etc.*, of
6 the decedent;
- 7 c) identification and residency documents of the decedent;
- 8 d) Other reports, referrals, endorsements, certificates, documents, and
9 permits which the DSWD may, from time to time, choose to exempt from
10 processing requirements for the grant of assistance provided under this
11 Act.

12 In every case of lack or incomplete documentation, the DSWD shall be the
13 sole authority in determining the circumstances of death, indigence, and other
14 conditions in support of the grant of burial assistance as set forth in Section 3 of this
15 Act, which findings shall be clearly stated and substantiated in its social case
16 summary.

17 Sec 6. *Social Case Summary; Crisis Intervention Monitoring System.* – The
18 social worker in charge of processing the burial assistance shall prepare a social case
19 summary that shall either recommend or deny burial assistance. The report shall be
20 uploaded into and form part of an online database system for CIU matters. Absent a
21 modern online database system, the existing Crisis Intervention Monitoring System
22 (CrIMS) shall serve as the requisite online database system. To the extent required
23 to prevent an unwarranted invasion of privacy, the DSWD may redact such personal
24 data from a record made available to the public.

25 Sec 7. *Additional Benefits from Local Governments.* – Notwithstanding any
26 existing laws, rules and regulations, benefits granted under this Act shall not
27 foreclose additional benefits granted by local governments.

28 Sec 8. *Use of Remains for Medical Studies and Scientific Research.* – The
29 provisions of this Act shall be without prejudice to the use of unclaimed remains by
30 medical and scientific institutions for studies and research in accordance with
31 Presidential Decree No. 856 (1975), otherwise known as the Code on Sanitation of

2 Health.

20 interest;

21 (4) Including in the grant of burial assistance items or services that are not

9 its publication in the Official Gazette or in a newspaper of general circulation.
