AN ACT
INSTITUTIONALIZING THE "ABOT ALAM" PROGRAM OF THE DEPARTMENT
OF EDUCATION, APPROPRIATING FUNDS THEREFOR, AND FOR OTHER
PURPOSES

EXPLANATORY NOTE

Article XIV, Section 1 of the 1987 Constitution provides that "The State shall protect and promote the right of all citizens to quality education at all levels, and shall take appropriate steps to make such education accessible to all." This Constitutional mandate includes the improvement of our formal education system to catch those who fall between the cracks- the out-of-school youths and adults who neither underwent nor completed basic education.

As a first step, the Department of Education created the "Abot Alam" program. According to DepEd, Abot-Alam is a convergence program that is being undertaken by a consortium of various national government agencies, and non-government organizations (NGOs) and institutions under the leadership of DepEd and the National Youth Commission (NYC) to locate and serve out-of-school youth (OSY) nationwide and who have not completed basic/higher education or who are unemployed.

This measure seeks to institutionalize the "Abot Alam" program and expand it to include adults who have neither undergone nor completed basic education. It also establishes a Barangay Abot Alam Targeting System to collect information and monitor all out-of-school youths. Finally, it prescribes the various modalities of the Abot Alam Program.

Speedy approval of this measure is eagerly sought.

GRACE POE
