SENATE
S. No. 970

RECEIVED BY: 

Introduced by Senator Grace Poe

AN ACT
AMENDING SECTION 95 (B) OF PRESIDENTIAL DECREE NO. 856 OR THE
CODE ON SANITATION OF THE PHILIPPINES

EXPLANATORY NOTE

Various news reports claim that in certain cases the Philippine National Police would allow the parents to sign a waiver against further investigation involving the death of their minor children. However, this dismisses the possibility that the cause of death of a minor may be due to gross negligence or foul play.

Presidential Decree No. 856 or the Code on Sanitation of the Philippines provides for cases when autopsies shall be performed. The provision, however, does not mandate for an immediate autopsy on a minor who may have died due to suspicious circumstances. Neither does it require that an autopsy be performed on an unidentified or unclaimed person who died due to apparent irregular causes.

This bill seeks to fill the gap in these cases. In addition, the parent, guardian, or next of kin of a deceased minor shall not be allowed to sign a waiver against conducting an autopsy except for religious grounds as substantiated by a document evidencing the religion of the deceased.

Justice should be afforded to the dead, whether unidentified or unclaimed, or whether he or she is a minor, if the death is due to suspicious circumstances.

Thus, immediate approval of this measure is eagerly sought.

GRACE POE
