EXPLANATORY NOTE

Section 16 of Article II of the 1987 Philippine Constitution provides that, "*The State shall protect and advance the right of the people to a balanced and healthful ecology in accord with the rhythm and harmony of nature.*"

Paraiso Ti Caribquib was once a forest before being transformed into an eco-park in 2007. This became the home of the first ever zipline adventure in the Province of Ilocos Norte. It was intended to be an eco-tourism destination that encouraged exploration and discovery, social and cultural awareness, and environmental conservation. Paraiso Ti Caribquib became a tourist attraction in the Municipality of Banna. However, due to lack of local funds and the damage caused by typhoons, further construction of this eco-park was halted, resulting in its degradation over time.

Pursuant to the constitutional mandate and to harness tourism as an engine of socio-economic growth and cultural affirmation to generate investment, foreign exchange and employment, this measure seeks to declare Parasio Ti Caribquib in the Municipality of Banna, Province of Ilocos Norte as a tourist destination. This will ensure development, preservation, and conservation through appropriate funding and proper implementation of development programs.

In view of the foregoing, the immediate passage of this measure earnestly sought.

IMEE R. MARCOS
