This bill seeks to convert the sitio of Bantayan in the Municipality of Lingayen, Province of Pangasinan, into a barrio of said municipality, to be known as the barrio of Bantayan.

The proposed barrio has a sufficient number of inhabitants, embraces a large geographic area and is very progressive. This bill, if approved, will bring about the consummate fulfillment of a long-felt demand of the inhabitants to give them a chance to manage their barrio affairs and help in the development and uplift of the Municipality of Lingayen.

(Sgd.) AGUEDO F. AGBAYANI

**MUNICIPALITY OF SAN LUIS IN SUB-PROVINCE  
OF AURORA, QUEZON**

Mr. MONTANO. Mr. Speaker, I ask that we consider House Bill No. 27.

The SPEAKER. Consideration of House Bill No. 27 is now in order. With the permission of the House, the Secretary will read only the title of the bill, without prejudice to inserting in the Record the whole text thereof.

The SECRETARY, *reading*:

An Act to convert the Municipal District of San Luis, Sub-province of Aurora, Province of Quezon, into a municipality.

(*The following is the whole text of the bill.*)

**EXPLANATORY NOTE**

It has long been the clamor of the residents of the Municipal District of San Luis, Sub-province of Aurora, to have a more autonomous form of government.

The municipal district, created on June 21, 1959 by virtue of Republic Act No. 2452, had during the ensuing fiscal year realized a total receipt of P12,005, or P8,000 more than the requirement, under Section 2 of Republic Act No. 1515, for the conversion of a municipal district into a regular municipality. Moreover, the rapid economic advancement and progress of this place can be compared considerably with that of other regular fifth-class municipalities. Roads, bridges and school buildings, and other public works projects, have been constructed, thereby providing the inhabitants with vital arteries for transporting their farm produce to the neighboring towns, and giving the children the opportunity to pursue their studies on the elementary level.

In view of the foregoing, the author strongly recommends the conversion of the Municipal District of San Luis into a regular municipality.

(Sgd.) MANUEL S. ENVERGA  
Congressman, 1st District  
Quezon

**AN ACT TO CONVERT THE MUNICIPAL DISTRICT OF SAN LUIS, SUB-PROVINCE OF AURORA, PROVINCE OF QUEZON, INTO A MUNICIPALITY.**

*Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:*

SECTION 1. The Municipal District of San Luis, Sub-province of Aurora, Province of Quezon, is hereby converted into a municipality.

SEC. 2. The present mayor, vice-mayor and councilors of the Municipal District of San Luis shall be the mayor, vice-mayor and councilors, respectively, of the new municipality until their successors shall have been elected in the next regular elections for provincial and municipal officials and shall have qualified.

SEC. 3. This Act shall take effect upon its approval.

Mr. MONTANO. Mr. Speaker, I move that the bill be approved.

APPROVAL ON SECOND READING  
OF HOUSE BILL NO. 27

The SPEAKER. The House will now vote on the bill. As many as are in favor of the bill, please say *Aye*. (*Several Representatives: Aye.*) As many as are against, please say *No*. (*Silence.*) House Bill No. 27 is approved on second reading.

MUNICIPALITY OF DINGALAN IN SUB-PROVINCE  
OF AURORA, QUEZON

Mr. MONTANO. I ask that we consider House Bill No. 72.

The SPEAKER. Consideration of House Bill No. 72 is now in order. With the permission of the House, the Secretary will read only the title of the bill, without prejudice to inserting in the Record the whole text thereof.

The SECRETARY, *reading*:

An Act to convert the Municipal District of Dingalan, Sub-province of Aurora, Province of Quezon, into a municipality.

(*The following is the whole text of the bill.*)

EXPLANATORY NOTE

The attached measure is the answer to the persistent demand of the people of the Municipal District of Dingalan, Sub-province of Aurora, Province of Quezon, to have a more autonomous form of government by converting the settlement into a regular municipality.

Dingalan, created on June 16, 1956 by virtue of Republic Act No. 1536, has complied with the fiscal requirement set forth in Section 2 of Republic Act No. 1515, which provides, among other things, that "any first class municipal district the annual receipts of which shall average more than four thousand pesos for four consecutive fiscal years shall *ipso facto* be classified as a fifth class municipality." Records show that the said municipal district has for the past five consecutive fiscal years realized an aggregate income of P26,739.76 — or an annual average receipt of P5,347.85 — broken down as follows:

<i>Fiscal Year</i>	<i>Annual Receipt</i>
1956-57	P 4,946.81
1957-58	4,951.67
1958-59	4,246.74
1959-60	6,580.72
1960-61	6,013.82
<b>Total</b> .....	<b>P26,739.76</b>

In view of the foregoing, enactment of the accompanying bill is strongly recommended.

(Sgd.) MANUEL S. ENVERGA  
Congressman 1st District  
Quezon

AN ACT TO CONVERT THE MUNICIPAL DISTRICT OF  
DINGALAN, SUB-PROVINCE OF AURORA, PROV-  
INCE OF QUEZON, INTO A MUNICIPALITY.

*Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:*

SECTION 1. The Municipal District of Dingalan, Sub-province of Aurora, Province of Quezon, is hereby converted into a municipality.

SEC. 2. The present mayor, vice-mayor and councilors of the Municipal District of Dingalan shall be the mayor, vice-mayor and councilors, respectively, of the new municipality until their successors shall have been elected in the next regular elections for provincial and municipal officials and shall have qualified.

SEC. 3. This Act shall take effect upon its approval.

Mr. MONTANO. Mr. Speaker, I move that the bill be approved.

APPROVAL ON SECOND READING OF  
HOUSE BILL NO. 72

The SPEAKER. The House will now vote on the bill. As many as are in favor of the bill, please say *Aye*. (*Several Representatives: Aye.*) As many as are against, please say *No*. (*Silence.*) House Bill No. 72 is approved on second reading.

Mr. BAGATSING. Mr. Speaker, with the permission of the gentleman from Cavite, may I ask if it is not proper for the authors to be present in this Hall?

Mr. MONTANO. Mr. Speaker, we shall consider the bills formally even if the authors are absent.

Mr. BAGATSING. But it seems a little irregular that the authors themselves, who are supposed to be interested in the bills, are not present. Besides, we may ask questions, and we do not want to tire the distinguished Majority Floor Leader by giving him such questions which, I am sure, are not within his knowledge.

Mr. MONTANO. All authors of bills taken up during Fridays are represented by the Majority Floor Leader.

Mr. BAGATSING. When we create municipalities, let us say, somewhere in Quezon, in the Dingalan Bay, and the sponsor is not here, how can we ascertain whether the citizens or inhabitants of that place are for or against that idea?

The SPEAKER. The Chair is of the opinion that when a Congressman files a bill, he desires its approval unless he withdraws it.

Mr. GANZON. Mr. Speaker, if the Chair and the
