AN ACT
PROVIDING DISCOUNT FOR INDIGENT JOB APPLICANTS IN THE
PAYMENT OF FEES AND CHARGES FOR CERTAIN CERTIFICATES AND
CLEARANCES ISSUED BY GOVERNMENT AGENCIES FOR EMPLOYMENT
APPLICATION

EXPLANATORY NOTE

Unemployment and underemployment lie at the core of poverty. Among our indigent citizens, labor opportunities are seen to be one of the prospective windows that can help improve their well-being and their family's quality of life¹. Therefore, availment of productive employment opportunities is essential for achieving poverty reduction and sustainable economic and social development.

The 1987 Constitution clearly provides in Sec. 9, Article II, that it is the duty of the State to "free the people from poverty through policies that provide adequate social services, promote full employment, a rising standard of living, and an improved quality of life for all."

For this reason, the pivotal role of the Government to assist the poor, through enactment of measures that will facilitate easy access to decent jobs that both secure income and the necessary entitlements for them, is imperative.

Presently, unemployment persists in the country at a rate of 5.3%, based on the January 2020 data of the Philippine Statistics Authority². This implies that there are 2.39 million Filipinos who are in need of employment, most of whom are the poor.

Unemployment worsens the government's effort to eradicate poverty³. It fiscally burdens both the unemployed and the country by depriving the poor its means to support its household's basic needs and demands the government to deal with the loss of income, decreased production and additional spending for social welfare support.

The poor should be assisted in finding decent work so that they will be liberated from such arduous conditions. It is the humble intention of this proposed measure to encourage and assist indigent job seekers in securing gainful employment by providing them a Twenty Percent (20%) discount in the payment of fees and charges for certain clearances and certificates issued by some government agencies which are required for pre-employment application.

By reducing some of their financial burdens in the process of finding jobs, indigent job applicants are afforded modest support and chances to find work.

In view of the foregoing, early passage of this bill is earnestly requested.
