 Dr. Rafael R. Enrile, Acting President, Philippine Medical Association.

The Chairman, Congressman Enverga, called the meeting to order at 3:00 p.m. He introduced to the Committee Members the invited physicians and called on Dr. Samia to give his comments on H. No. 2882 entitled "The Medical Act of 1959".

Dr. Samia advised the Committee that a similar bill was passed by both Houses in the Third Congress but was vetoed by the President because this appointing power in the Board of Medical Examiners was removed and three boards were created in the former bill. He pointed out that all these objectionable features were remedied in the present bill. However, he and Drs. Enrile and Fores suggested some amendments to further improve the bill. The Committee decided to report H. No. 2882 with the amendments proposed by the physicians, in consolidation with H. No. 2877.

The Chairman next presented before the Committee the following bills which they unanimously agreed to report out:

1. H. No. 2606 with amendments.
2. H. No. 2330 in consolidation with H. Nos. 2064, 2378 and 2637.
3. H. No. \_\_\_\_\_ prepared by the Committee on Education, in consolidation with H. Nos. 2331 and 2380.
